INTRODUCTION

Gomax Int'l Trading Co., Ltd is one of the leading garments exporters from Bangladesh and China. Since 2002 we have been started exporting ready made garments to European and USA market. It's a sister concern of Texstream and all management by Chinese. We enjoy a good reputation internationally in circle of garments.

Texstream Fashion Limited starts journey in the history of RMG section in Bangladesh with state of the art set up and equipment to contribute significantly in human development section as well increasing substantial export earning in Bangladesh. We are started in 2012. Eventually with hard work, sincerity and commitment we earned our reputation and expanded successfully by establishing our venture. In course of time our experience has given us the expertise and knowledge to attain perfection In knit garment manufacturing.

OUR VISION

We strive to provide the best quality garment to our buyers. We practice advanced technology in all aspects of our operation to attain excellence concerning quality, dependability and commitment for apparel industry and society.

PRODUCT QUALITY

Our product quality is ensured with the practice of advanced technology and our inclination toward meeting our buyer's satisfaction with competitive price.

DEPENDABILITY

Our just in time merchandising and shipment along with our advanced production technology assures our buyers to depend on us.

COMMITMENT

Our commitment to quality assurance has empowered us to ensure efficient working environment in our organization.

BUYER SATSFACTION

Our buyer's satisfaction sets the standard of our product quality.

ENVIRONMENT CONSCIOUSNESS

Our operation ensures maintaining a healthy environment for our employees as well as for the greater society.

SOCIAL RESPONSIBILITY

Our sense of social responsibility is reflected through our keen effort towards employee welfare.

OUR COMMITMENT TO EMPLOYEE WELFARE

A centrally located control panel monitored twenty four hours a day to alert us in advance from any fire hazard. A medical team consisting a doctor and nurses is available all the time to render service. Employees are trained well and provided with personal protective equipment to protect themselves from any fatalities. The effluent treatment plant and modern waste disposal system demonstrate our conscious effort to create a healthy environment.

QUALITY OF GOODS IS ASSURANCE
